## **Sub: Supply and Installation of Elevator for your Project at Bangalore.**

Dear Sir,

Thank you for your kind interest in Gen Elevators we strive hard to provide our customers with good quality and technically advanced product and services focusing and achieving customer delight.

Gen Elevators owned subsidiary of Gen Elevators an Indian based company.

Gen Elevators has been setting as example in the Indian market with its ultimate technology and service quality. We are a team of professionally and technically equipped personnel who at all levels work with an objective of achieving complete customer satisfaction.

Elevators, performing the function of vertical transportation in buildings are exposed to varied field condition and our misuse / abuse. We Gen Elevators make sure that our elevators are user friendly and safe in operation thus gives our customer the value for their capital investment made with us. Quality and Safety are the key deliverables of our company and our motto is to provide safe reliable and trouble free elevators.

Please find enclosed the elevators specification and price schedule, which will give the technical and commercial details.

We take utmost pleasure and providing you with any further information and will consider it an honor to call on you for any further clarification or discussion as agreed upon on a mutually convenient date and time.

We hope this will receive your favorable consideration.

Looking forward to a positive response from you and receiving your valuable order at the earliest. We, in the mean time, assure you of our best attention and services at all times.

Thanking you,

Yours truly,

**GEN ELEVATORS**
